## **Save up to \$1320 per couple on Kimberly cruise this October**

**Book by September 24, 2017**

Ahoy Buccaneers, which specialises in low-cost Kimberly cruises, is offering a last-minute, 20 per cent discount on three Kimberly cruises this October, with savings of up to \$1320 per couple available for bookings made by September 24, 2017.

The three cruises are seven-day, round-trip sailings from Broome through the Buccaneer Archipelago in the wild and remote Kimberly region of Western Australia. Departures aboard Ahoy Buccaneer's 25-guest motor yacht, Oceanic, are available on October 2, 9 and 30, 2017.

Offering an alternative to traditional cruises, Ahoy Buccaneers takes guests into areas inaccessible to large ships as they explore the rugged cliffs, remote coves, secluded beaches, spectacular waterfalls and pristine waters of the coast.

The itinerary includes Montgomery Reef, Ruby Falls, Steep Island, Silica Beach and the rushing tides of Horizontal Falls – described by David Attenborough as “one of the greatest wonders of the natural world”.

In contrast to large, luxury ships, Oceanic offers nature lovers and adventure seekers a ‘barefoot casual’ experience with an intimate and relaxed atmosphere onboard and the opportunity for guests to help fish for dinner or sail the boat with the captain. Because of its small size, Oceanic is able to anchor much closer to the shore than other vessels, with daily excursions that include fishing, swimming in fresh waterholes, beach combing, exploring aboriginal art, beach camp fires and hiking in some of the remotest parts of the Kimberly.

Including the 20 per cent discount for new bookings made by September 24, the three seven-day cruises on October 2, 9 and 30, 2017, are available from:

- \$1600 per person (including for solos) in a deluxe beach swag - a saving of \$400 per person
- \$2000 per person, twin-share, in a double or twin-bed cabin - a saving of \$500 per person
- \$2640 per person, twin-share, in a double cabin with ensuite - a saving of \$660 per person

Solo travellers can escape the single supplement by sleeping on the beach under the stars in a deluxe swag or sharing a twin bed cabin with another same-gender solo passenger.

Fares include meals during the cruise and daily excursions as well as local transfers.
